COMPANY OVERVIEW

Ben Campbell
Owner & Principal

Painting Federal is the government, defense, and industrial coatings division of Campbell Painting & Drywall—a third-generation, family-owned Alaskan contractor with roots reaching back to 1955, when the Campbell family opened Alaska's first Benjamin Moore paint store, Ralph's Paint Shop.

Founded in 2006 and led by owner Ben Campbell since 2010, our enterprise brings 20 years of proven execution across 11 crews, 35+ W-2 employees, zero subs, and a 30% Alaska Native workforce serving 47 Alaska and Pacific hubs.

As 1 of only 2 CMMC Level 1 compliant painting contractors in Alaska, we deliver turnkey federal readiness backed by SAM.gov active registration, DBIDS base clearances, USACE EM 385-1-1 & C**Q**M quality control, EPA RRP Lead certification, EMR Below 1.0, and an owned lift, sprayer, and containment fleet.

Mission Statement: "Painting the World!"

Core Values: Efficient • Accountable • Resourceful • Team-Player • Hard-Working

Procurement: SAM.gov Active | AK Lic #958994 | CAGE / UEI & Bonding: Furnished Upon Request

Primary NAICS: 238320 (Painting) • 238310 (Drywall) • 238990 • 236220 • 561720

CORE COMPETENCIES

Federal Interior, SCIF & Judicial Coatings (UFGS 09 90 00):
Zero-VOC, antimicrobial, acoustic, and chemical-resistant systems for active SCIF rooms (JBER), FAA Air Route Traffic Control Centers, military barracks, and judicial courthouses.

Drywall Installation, Taping & Level 5 Finishing (NAICS 238310):
Complete drywall hanging, taping, mudding, and seamless Level 5 finishing by 100% in-house W-2 crews—proven on 1,000+ sheet remote Pacific defense deployments with zero subcontractors.

High-Bay Structural Steel, Overhead Utility & Fire Piping:
SSPC/AMPP surface prep, moisture-cured urethanes, epoxy containment floors, blackout ceilings, spiral HVAC ductwork, rack-sprayed conduit, and NFPA red fire piping (USCG Kodiak Bldg N1).

CMMC Level 1, EPA RRP Lead & 47-Hub Remote Logistics:
1 of only 2 CMMC Level 1 compliant painting contractors in Alaska with DBIDS-cleared crews, USACE EM 385-1-1 / C**Q**M quality systems, owned lifts, and barge/airlift Connex mobilization.
